

# Distinguishing between fact and opinion

**Fact**      **Opinion**

**Find out if something can be  
proven or is believed**

- . How does this person feel about the subject?
- . What facts are given to support the opinion?
- . What provable facts are there?
- . What language does the writer use to support their opinion?
- . What emotive language is used to make the opinion?
- . What is the difference between the facts and the opinion?
